## With a credo of luxury without pretense,

Joni Vanderslice has grown her multidiscipline J. Banks Design over the past 30 years from a firm of seven employees to an impressive 48. Joni will share the steps she has taken to nurture her Hilton Head Island based operation into an internationally recognized force of residential and resort design with multiple product lines.

## WHAT DOES IT TAKE TO GROW YOUR BUSINESS...

- What's Your Catalyst in Business?
- Create Your Perfect Job Descriptions
- Delegating
